FAQ'S

Can we provisionally hold a wedding date?

Yes, we would be delighted to provisionally hold a date for 2 weeks & if you require slightly longer please speak to the Wedding Team .

What deposit do you require & if there any additional payments needed?

To secure the date we would require a deposit of £1500.00 (this can be broken down into instalments if required) after which the Wedding Contract will be issued.

We do also require a payment 6 months prior to the Wedding Date (50% of the estimated cost). With the final balance payable the week prior to the Wedding.

Can we change the Wedding Packages & Menus?

Certainly, the Wedding Packages & Menus are only examples of what we find is popular & works well. However we would be delighted to design a Wedding Package or Menu to suit your particular requirements.

Do we need to get a pre-order from our guests?

No we don't need a pre-order from your guests, we will get your guests order on the day. This gives you the ability to change the menu choices closer to the Wedding date. However, we would recommend asking for any dietary requirements as part of your invitation.

FAQ'S

What are your minimum numbers?

Packages do have minimum numbers – see guideline below, however we would also be delighted to sit down with you to tailor packages / menus to suit your requirements. Intimate Wedding Packages are also available.

High Season (April - September & December):

Friday = 120 adults

Saturday = 140 adults

Low Season (October, November, January - March):

Thursday = 75 adults**

**excluding public holidays plus
period between Christmas & New Year

How many rooms can we hold off for the night of the Wedding?

We guarantee to hold off 15 rooms plus the Bridal Suite, to be allocated at the Wedding Couples discretion.

Additional rooms are available for your guests to book via the hotel website. For alternative accommodation the self-catering cottages on site (www.manormarine.com) are a popular option.

FAQ'S

What time can we have music in the Ballroom until?

The Band / DJ are able to play until 1.30am.

Is there a Residents Bar?

We serve in the Ballroom until 1.30am & hotel residents can avail of the Residents Bar until approx. 3.00am

What time will our guests be called for dinner?

From experience we find that beginning to call your guests for dinner at approx. 4.45pm with Bridal Party being called into the room approx. 5.15pm works well & allows for a smooth running evening.
